About HILS
Hertfordshire Independent Living Service (HILS) is the largest not-for-profit meals on wheels service in the UK. Established by Hertfordshire County Council in 2007 as a charitable social enterprise, HILS provides a range of caring services to help people to stay happy, healthy, and independent in their own homes.

We have been recognised with a number of local and national awards, and we offer a responsive and flexible service. We operate from four sites across the county, in Hemel Hempstead, Letchworth, St Albans, and Ware.

We make a real difference to people’s lives. We give support and peace of mind to thousands of Hertfordshire’s residents, their families and their friends, and we love doing it!

We deliver meals on wheels across Hertfordshire, 365 days a year, whatever the weather.

Every visit includes delivery of a hot meal and dessert, along with a caring welfare check, at the subsidised cost of £4.95 per day.

You can order meals as a one-off, temporarily, or for as long as you would like them.

Our meals are delivered hot and ready to eat between 11:30am and 2:00pm, and you will usually receive your meal at a similar time every day.

We have a wide range of delicious and nutritious hot meals and desserts for you to choose from.

A menu is provided for you to select your meals, which highlights meals that are suitable for your dietary, ethnic, and religious choices. If necessary we can alter our menu just for you to suit your needs.

We provide specialist Kosher, Asian, Halal, and West Indian food, and can also provide Pureed, Minced & Moist and Soft & Bitesize food for people following special diets.

For no additional cost we also provide a medication prompt should this be required.

We make a real difference to people’s lives. We give support and peace of mind to thousands of Hertfordshire’s residents, their families and their friends, and we love doing it!
